Dear members of the Centrale Ondernemingsraad,

The Faculty of Economics and Business Student Council (FSR FEB) would like to give advice on the Concept Allocation Model version 1.09, released on the 28<sup>th</sup> of November 2017. After having discussed the model internally and with the Faculty Board of Economics and Business, we are glad to give a positive advice on the Concept Allocation Model version 1.09. Although discussions about this model stays difficult, as it is a zero-sum game, FSR FEB believes that the allocation of funds amongst faculties has become more transparent than the previous model and therefore judges that it is satisfactory. The model benefits the majority of the faculties and we could understand that effort was made to make the distribution more equal.

In case you have any questions, please do not hesitate to contact me via the above stated email address, or the Chairwoman or the Vice-Chairman of the Council via [toma.fsr.feb@gmail.com](mailto:toma.fsr.feb@gmail.com) or [marcelo.fsr.feb@gmail.com](mailto:marcelo.fsr.feb@gmail.com) respectively.

On behalf of the Faculty Student Council,

Momo Komatsu,

Treasurer and General Member.
