3. Mail List & Confirming Agenda

5 Senchi informs the council that due to a lack of time she was unable to update the mail list; she will do so
6 after the plenary meeting so the working groups and DB can discuss it in their meetings.
7 Vieira Ribeiro asks whether there are any changes to the agenda. Mars, during announcements, already
8 noted that, as a consequence of the meeting invitation and advice deadline they received from the CvB, he'd
9 like for the council to discuss the procedure regarding the dean candidacy. Other councillors agree and
10 Vroom notes that she would like to stay for this part of the meeting too. The agenda point has been added to
11 the agenda as point 6 following the updates; the agenda is set.

19 **date, location and attendees of the meeting.**

20 210927-04 The council should send over concrete information to Van Wesemael regarding the issues
21 with the *casuscommissie* (context: restart higher education & COVID-19).

23 210927-05 Piraianu, Mars and Van Eck will create additional meeting pieces to facilitate the
24 discussion on the voting procedure and create a proposed voting structure.

25 **These meeting pieces will be discussed during the current meeting. The action point is**
26 **scrapped.**

27

28 Subsequently, the council goes over the minutes page by page; Viera Ribeiro confirms the minutes. Senchi
29 notes that councillors, for instance, in the case of the HR can refer to and use the minutes when writing a
30 meeting piece. Especially, when they need to give a status update on or describe the discussion they've
31 already had on the subject. Furthermore, Senchi – again – asks the working groups to assign someone to pick
32 up the publication of the minutes. She will publish the minutes this time but still wants someone else to take
33 it off her hands.

5. Updates

5.1. CSR

34 Kemper is absent and thus there is no CSR update.

5.2. Chair(s)

35 Vieira Ribeiro attended the Social Safety meeting with Seignette and informs the council that they plan
36 on having regular meetings set up. The next meeting will be set around November. Senchi notes that
37 Seignette specifically asked the council to supply her with input regarding social (un)safety between

1 students. Seignette indicated she only has insight when it comes to employee-on-employee or
2 employee-on-student situations, but lacks perspective when it comes to interaction solely among
3 students. Furthermore, Seignette would also like to be informed of ways the faculty could lower the
4 threshold for students and encourage them to come forward regarding social safety issues.
5 Piraianu notes that he has worked on HR and that this will be discussed at the HR agenda point.

5.3. Education & Learning Culture

6 Ballak attended a meeting with Van De Graaf regarding sustainability, where they discussed:
7 diminishing waste, for instance, by using Too Good to Go or Mystery Boxes; coffee machines with plant
8 based milk options; bringing one's own mug and receiving a discount. Van De Graaf seemed very
9 accommodating and mentioned that a sustainability campaign will also be launched at the university.
10 Furthermore, she shared that the university will keep monitoring sustainability in general, e.g.
11 monitoring modes of transport, and urged the council to contact the UvA Green Office [ACTION POINT]
12 and to involve study associations in the sustainability campaign. Regarding the sale of vegan and/or
13 vegetarian options the catering service also has to consider what actually sells and what doesn't.
14 Ballak also attended the ASVA meeting regarding mental health and the OER. She notes that the ASVA
15 is very passionate about the theme and would like for it to become a bigger file. Ballak proposes to
16 send out a survey to determine how to prioritise mental health as a file. During the meeting it was also
17 suggested for OER B's article 7.1 to become more extensive on mental health and for everyone to look
18 into how the quality funds are being used to improve student mental health. Piraianu also adds that
19 students should perhaps be supplied a list with information on where to turn to regarding mental
20 health and every first lecture of a course could be used to highlight this theme.

5.4. Organisation & PR

21 Van Eck notes that a meeting regarding the budget with Achahbar and Van De Graaf is scheduled at the
22 end of the week. Unfortunately, this meeting coincides with the meeting with the dean candidate. He
23 would like to reschedule the budget meeting so OPR can attend the dean meeting. After enquiring for a
24 new date for the budget meeting, Senchi comments that she will contact the board to get it
25 rescheduled.

5.5. Student Member fDB

26 Vroom doesn't have an update this week.

5.6. *Sollicitatiecommissie* Council Assistant

27 Svendsen comments that the committee is meeting today to discuss their questions for the Q&A,
28 introduction and case study. Senchi adds that the applicants will be invited this week and the interviews
29 will be taking place in the three subsequent weeks.

30
31 Vieira Ribeiro urges everyone to check their availability for the TAQT workshops and scraps agenda
32 point 7.

6. (Added) Discussing: Dean Candidacy Advice

33 Mars introduces the agenda point and notes that the procedure for advising on the dean candidate is
34 unacceptable. Currently they only have 24 hours to prepare questions for the meeting, considering they will
35 only receive their CV one day in advance, and have only been given 48 hours to advise on the candidate. He
36 stresses that this timeframe doesn't allow the council enough time to form a well-founded opinion on the

1 matter nor does it yield enough room for the council to properly vote on it during their weekly plenary
2 meeting. Mars notes that he would be in favour of filing a complaint and writing a negative advice based on
3 the current process. Senchi checks whether the council would still be willing to meet the candidate,
4 regardless of the procedure; The council feels positive about meeting the candidate. Senchi also checks
5 whether the council would feel more comfortable if the 48 hours would span working days instead of the
6 weekend. Van Eck notes that they would like at least a week to form an opinion, considering the committee
7 meetings. Piraianu also notes that he questions the value of the advice if the council were to send it in on
8 Sunday. Ballak, however, notes that she would prefer sending in, at least, some advice over not advising at
9 all. Vieira Ribeiro thanks Mars for bringing this issue to the table and Hondtong notes that they should make
10 it abundantly clear that the council disagrees with the current procedure. Mars stresses that the Executive
11 Board not giving the council enough time is inherently dangerous; not only is it detrimental to the quality of
12 the advice, it's long term negative effects will heavily impact the faculty.
13 The majority of the council agrees with sending the CvB an email today (211004) to prevent precedent and
14 inform the board when the council will be handing over their advice.

15
16 *Vroom and Piraianu leave*

17 *Break*

7. Introducing: Council Training

18 This agenda point is scrapped.

8. Discussing & Voting *Huishoudelijk Reglement (HR)*

19 Van Eck and Piraianu went over their notes from the discussion and realised the council hadn't really found
20 consensus on the topic of article 6 concerning the voting procedure. In their opinion, three questions still
21 remain: 1) the issue of anonymous votes, 2) the issue of a closed voting procedure, and 3) the issue of an
22 open voting procedure. Mars also supplied a meeting piece regarding the amendment of the HR by scrapping
23 article 6.6. and 6.7. Van Eck proposes to discuss the ideas that would require the most drastic change(s) of
24 the HR first. The councillors agree.

25 Starting with Mars' meeting piece, Mars explains that he is fundamentally opposed to a closed voting
26 procedure and anonymous votes; he carries on by stating that council votes are never made on a personal
27 title and always concern hard policy. Therefore, he believes, the council's constituency should be privy to the
28 decisions made by the council. Mars stresses that he would like for the council to create a climate where
29 voting on people wouldn't personally affect anyone; communication should be open and honest. Ballak
30 responds that they should protect the people they are voting on, noting that – in the end – one is still voting
31 regarding someone's capability and a negative judgment could still be hurtful. Therefore, Ballak would still
32 like to have anonymous votes remain an option. Mars notes that students during the council election have
33 closed votes because they vote on a personal title, the council shouldn't be awarded this privilege because
34 they don't vote on a personal title but on behalf of their constituency. Van Eck asks Ballak to clarify whether
35 she's speaking of closed voting or anonymous votes, Ballak responds that she believes names shouldn't be
36 registered in the voting process. Hondtong enquires if voting on people also concerns votes regarding the
37 fDB; councillors feel like it should only concern internal council matters. In response to Mars' arguments,
38 Vieira Ribeiro notes that – in theory – it would be ideal but that she fears - in practice - it would have a lesser
39 chance of success. Furthermore, she believes, considering they were all voted into the council by their
40 constituents that they are awarded their trust when it comes to making decisions regarding internal
41 matters. Vieira Ribeiro adds that external matters can be open. Van Eck proposes the following: a closed
42 vote can only take place regarding internal matters; an open vote is issued for external matters; for a closed

1 vote, only numbers are registered (not parties); and, for an open vote both parties and numbers are
2 registered.

3
4 Vieira Ribeiro first initiates a vote on Mars proposal to scrap articles 6.6. and 6.7 of the HR.

5
6 **Voting proposal:** The FSR FGw 2021-2022 proposes to scrap article 6.6 (*“Als een raadslid een
7 anonieme stemming verzoekt, wordt deze gefaciliteerd. Deze stemming verloopt schriftelijk. De telling
8 van deze stemmen wordt gedaan door ten minste twee personen die niet lid zijn van de raad.”*) and
9 article 6.7 (*“Schriftelijke stemmingen worden voor een termijn van minstens 1 jaar verzegeld bewaard
10 in de raadskamer. De Ambtelijk Secretaris draagt hier zorg voor.”*) from the *Huishoudelijk Reglement
11 2021-2022.*

12 The vote is **denied**. The vote didn’t reach the necessary quorum for a decision.

13
14 Most attending councillors are still unsure of how the current voting procedure will be replaced and would
15 like to take a moment to find consensus on and phrase the new procedure. Councillors agree that:

- 16 • All voting results will be reported in the minutes
 - 17 ○ Closed votes will only report the number of votes in favour, against, blank and abstain.
 - 18 ○ Open votes will report the number of votes per party in favour, against, blank and abstain.
- 19 • Open voting will be the standard procedure;
- 20 • Closed voting will only be permitted in the case of the appointment or deposition of council
21 positions (e.g. treasurer, trust person, DB member, etc.)
 - 22 ○ Votes during a closed voting procedure are considered anonymous. Therefore, anonymous
23 votes are only cast when it concerns the appointment or depositions of council positions.

24 The council agrees to first strike the former articles 6.6 and 6.7 from the HR before introducing a new article
25 6.6 regarding voting procedures. Vieira Ribeiro restarts the vote on the dismissal of articles 6.6 and 6.7.

26
27 **Voting proposal:** The FSR FGw 2021-2022 proposes to scrap article 6.6 (*“Als een raadslid een
28 anonieme stemming verzoekt, wordt deze gefaciliteerd. Deze stemming verloopt schriftelijk. De telling
29 van deze stemmen wordt gedaan door ten minste twee personen die niet lid zijn van de raad.”*) and
30 article 6.7 (*“Schriftelijke stemmingen worden voor een termijn van minstens 1 jaar verzegeld bewaard
31 in de raadskamer. De Ambtelijk Secretaris draagt hier zorg voor.”*) from the *Huishoudelijk Reglement
32 2020-2021.*

33 The vote is **adopted**. The FSR FGw 2021-2022 will scrap article 6.6 (*“Als een raadslid een anonieme
34 stemming verzoekt, wordt deze gefaciliteerd. Deze stemming verloopt schriftelijk. De telling van deze
35 stemmen wordt gedaan door ten minste twee personen die niet lid zijn van de raad.”*) and article 6.7
36 (*“Schriftelijke stemmingen worden voor een termijn van minstens 1 jaar verzegeld bewaard in de
37 raadskamer. De Ambtelijk Secretaris draagt hier zorg voor.”*) from the *Huishoudelijk Reglement
38 2020-2021.*

39
40 Vieira Ribeiro initiates a vote on the introduction of a new article 6.6.

41
42 **Voting proposal:** The FSR FGw 2021-2022 proposes to introduce a new article 6.6 to the
43 *Huishoudelijk Reglement 2021-2022*, which states the following principles:

- 44 • All voting results are reported in the minutes

- 1 ○ Closed votes only report the number of votes in favour, against, blank and
- 2 abstain.
- 3 ○ Open votes report the number of votes per party in favour, against, blank and
- 4 abstain.
- 5 • Open voting is the standard procedure;
- 6 • Closed voting is only permitted in the case of the appointment or deposition of council
- 7 positions (e.g. treasurer, trust person, DB member, etc.)
- 8 ○ Votes during a closed voting procedure are considered anonymous. Therefore,
- 9 anonymous votes are only cast when it concerns the appointment or deposition
- 10 of council positions.

11 The vote is **adopted**. The FSR FGw will introduce a new article 6.6 to the *Huishoudelijk Reglement*

12 2021-2022, which states the following principles:

- 13 • All voting results are reported in the minutes
- 14 ○ Closed votes only report the number of votes in favour, against, blank and
- 15 abstain.
- 16 ○ Open votes report the number of votes per party in favour, against, blank and
- 17 abstain.
- 18 • Open voting is the standard procedure;
- 19 • Closed voting is only permitted in the case of the appointment or deposition of council
- 20 positions (e.g. treasurer, trust person, DB member, etc.)

21 The council majority feels like they should vote on the entire HR during this meeting as well, considering all

22 changes have currently been discussed.

23

24 **Voting proposal:** The FSR FGw 2021-2022 proposes to apply the discussed changes to the

25 *Huishoudelijk Reglement* and use the finalized *Huishoudelijk Reglement* 2021-2022.
