## 1. Opening

1 Kemper opens the meeting at 11:08.

## 2. Announcements

2 Vroom, Van Dorp, Ballak, Mars and Svendsen will join the meeting at a later moment. Verveer and Hondtong  
3 won't be joining the training that is scheduled after the PV.

### 2.1. MS Teams

4 Senchi explains that she would like to use this month to experiment with MS Teams as a collaborative  
5 platform and tool for the council. She comments that MS Teams provides the opportunity to work in and  
6 provide comments on documents in one place, as well as sharing and storing information in one place,  
7 instead of spreading these actions across different platforms like outlook, Google, and a drive. She urges  
8 everyone to try it out and give feedback, so they can discuss it and schedule a Q&A session in January.

## 3. Mail List & Confirming Agenda

9 The council goes over the to-dos in the mail list. Kemper notes that the CSR chair will be taking over the email  
10 related to the television programme and Vieira Ribeiro urges everyone to reach out if they receive any signals  
11 regarding the *casuscommissie*. Kemper also shares Verveer's critique regarding an email from the board on  
12 some of the receipts the council declared.

## 4. Action List & Reviewing OV Minutes (211025 & 211104)

13 The council goes over the action lists from the budget- and normal OV. Most of the action points can be  
14 scrapped, Senchi makes a brief remark about the action point regarding the meeting with Reijnen which was  
15 re-delegated to her instead of a council member. Referring to their previous training, Senchi stresses that the  
16 board should leave the meeting with the most action points and not the council. Moreover, she stresses that  
17 as secretary to the council she especially doesn't appreciate council task being delegated to her. Currently,  
18 Senchi feels she is also not provided with the information necessary to set up a meeting for the council with  
19 Reijnen. Kemper cuts in to note that this meeting should be arranged before the next PV and the file holders  
20 should work to set up the meeting themselves or collaborate with Senchi in order to make it happen [ACTION  
21 POINT].

## 5. Updates

### 5.1. CSR

22 No questions. Update can be found in MS Teams.

### 5.2. (Vice) Chair(s)

23 No questions. Update can be found in MS Teams.

### 5.3. Organisation & PR

24 Hondtong remarks that she has ordered the books related to their budget decision during the previous  
25 PV. The rest of the update can be found in MS Teams.

### 5.4. Education & Learning Culture

26 No questions. Update can be found in MS Teams.

### 5.4.1. OER A

1 Mars, Svendsen and Ballak attended the pre-discussion to the OER *deurendichtbijeenkomst* on behalf  
2 of the council. Mars comments that he felt that the meeting as very intense and that they weren't  
3 taken seriously by the board. Svendsen notes that due to the how much Dutch was being used during  
4 the meeting she couldn't always keep up, even though the meeting was supposedly open to non-  
5 Dutch speakers. Moreover, they would like to have a closer look at a term used in relation to students  
6 with a disability in the OER.

## 5.5. Student Member fDB

7 No update.

## 6. Preparation: *Overlegvergadering*

8 Currently the council is still awaiting the proposed agenda from the board. Upon Kemper's requests, Vroom  
9 will look up the possible agenda topics. Vroom notes that the board intends to bring up the Action Plan for the  
10 Faculty Strategic Plan and the Language Change for the BA *Cultuurwetenschappen*. After asking the council  
11 members whether there are any topics they'd like to discuss during the OV, they set up the following proposed  
12 agenda points:  
13

- 14 • **Language Change BA *Cultuurwetenschappen***
  - 15 ○ Speakers: Juliet Hondtong and/or Sara Verveer and/or Sara Kemper
  - 16 ○ Goal:
    - 17 ▪ Getting a different consent request for the Language Change BA
    - 18 *Cultuurwetenschappen*
    - 19 ▪ Getting a separate consent request for the BA Humanities in Context
  - 20 ○ Notes: Kemper will inform the council on the subject today during the separate agenda
  - 21 point. Currently Kemper has a very negative view on the consent request.
- 22 • **Action Plan FSP**
  - 23 ○ Speakers: Juliet Hondtong, Carlos van Eck
  - 24 ▪ Hall Allen will join in their preparation for the speaking role so she can be
  - 25 introduced to this aspect of being a council member/assistant.
  - 26 ○ Goal: Ensuring the boards prioritization is in line with the faculty's (and students') needs.
  - 27 ○ Notes: The Action Plan is not a reflection of the FSP as a whole but is limited to the upcoming
  - 28 year; unsure whether the action plan will be up for advice.
- 29 • **Social Safety**
  - 30 ○ Speaker: June Ouwehand
  - 31 ○ Goal:
    - 32 ▪ Starting the temporary facility as soon as possible
    - 33 ▪ Getting to know what is in the final document
      - 34 • Ensuring are concessions are reflected
  - 35 ○ Notes: Make sure Ouwehand is comfortable with the concession; possibly discussing the OR
  - 36 communication; unsure whether Ouwehand will be the speaker or whether this will be an
  - 37 actual agenda topic.

38

1 • **Study Advisors**

- 2 ○ Speakers: Mars and Ballak
- 3 ○ Goal:
- 4     ▪ Permanently getting more study advisors and *studieloopbaanbegeleiders*
- 5     ▪ *Getting clarification*
- 6 ○ Notes: Last year's discussion regarding the study advisors was focused around the question
- 7 whether study advisors are working in the best interest of the student or in in the best
- 8 interest of the university, and whether their working practices and interests should be made
- 9 apparent via, for instance, a disclaimer; OCs has brought this topic up plenty of times as well.

10 • **Alcohol Policy**

- 11 ○ Speakers: to be determined
- 12 ○ Goal:
- 13     ▪ Getting updated on the subject
- 14     ▪ Learning of the board's final decision on the subject
- 15 ○ Notes: Request the topic to be placed under *Stand van Zaken* on the OV agenda

16 **7. Voting: Memo Protocol > 1 Day Excursions**

17 Ballak explains that the document is focused on the same points that were discussed during the previous PV.

18 She comments that there are some changes to the final memo and that it reflects the following points: better

19 priorities regarding social safety, addition of the term and improvement of sexual safety, inclusion of

20 summarizing point. Kemper wonders what Ballak means by "*the responsibilities in the area of sexual safety*

21 *should be better*". Does she mean it should be improved in general or that its formulation in the protocol should

22 be clarified? Ballak responds that its formulation should be improved, but, also, that the protocol doesn't do

23 enough regarding this topic and places the responsibility for ensuring this safety in the wrong place. A

24 comment is added in the memo text to make Ballak's statement more explicit.

25 The majority of the council feels comfortable with voting; therefore, Kemper initiates the voting procedure.

26 **Voting proposal:** The FSR FGw 2021-2022 proposes to send out the >1 day excursion memo as

27 formulated during the PV (211203).

30 The proposal has been **adopted**. The FSR FGw 2021-2022 will send out the >1 day excursion memo

31 as formulated during the PV (211203).

32 **8. Discussing & Voting: Unsolicited Advice Alcohol Policy**

33 Ballak introduces the topic and notes that ELC has analysed the survey they sent out and that the responders

34 gave very mixed and detailed answers. Currently, they will be discussing the council 's stance on the subject;

35 Ballak refers to the meeting piece wherein they have described the options for the council's advice. ELC's

36 overall impression of the survey is that the majority of the responses are against enforcing a policy and, instead, were more open to having an awareness campaign or commitment. Moreover, briefly goes over some

1 of the results of the council's survey: students noted their interest in (mental and physical) health, a positive  
2 attitude towards having more alcohol-free beverages (e.g., for every unit of alcohol there should also be an  
3 equal alcohol-free option, mocktails, etc.), a preference for sending students in the right direction over  
4 enforcing policy, a suggestion for setting up a support group for people struggling with alcohol related  
5 problems (e.g., addiction), an objection to the hypocrisy of banning alcohol for health reasons whilst providing  
6 unhealthy snacks in the vending machines and removing the PCH gym facilities, their criticism of the way the  
7 fDB prioritises their time (e.g., an alcohol policy over mental health).

8 Ballak is asked what her preferred council stance is on the subject, but she finds it difficult to provide an  
9 unequivocal answer to that question. Piraianu believes it is important to stress that there is a distinction  
10 between the policy's approach regarding formal and informal events, he believes they should make it explicit  
11 that the board is only nudging, and he feels that they should, indeed, incorporate the alcohol-free options. This  
12 way there would be no alcohol in formal settings, whereas they would campaign for alcohol awareness  
13 regarding informal settings. Piraianu would be in favour of instating the policy, if the board makes necessary  
14 changes to the document. However, Ballak is against having the policy and enforcing such measure son  
15 students. Moreover, she stresses that students responded they experienced very little pressure to drink at  
16 formal events and banning it in that setting would seem the least useful. Piraianu notes he is against the policy  
17 in its current form and wants it to be rephrased. Ballak is against an alcohol policy in general. Piraianu adds  
18 that the board has indicated they will still condone alcohol at some formal events, for instance: the opening of  
19 the academic year. Ballak notes they should have a closer look at whether the comments Reijnen made during  
20 their informal meeting are actually reflected in the policy. The council continues its discussion and where a  
21 majority is in favour of raising awareness, but against a policy that prohibits the consumption of alcohol. They  
22 feel it impedes students' freedom of choice. Mars stresses he isn't necessarily in favour of a campaign but is  
23 definitely against having an alcohol policy. Lastly, the council feels they should not attach the survey results  
24 as an attachment to their letter, rather incorporate it in the text. Whilst formulating the proposal Senchi asks  
25 the council to clarify whether they're advice is a conditional negative advice or an indefinite negative advice,  
26 noting that there is an important difference between these stances. Some council members feel they would be  
27 willing to change their negative stance if the board adheres to the council's conditions, others are permanently  
28 against having an alcohol policy.

29  
30 **Voting proposal:** The FSR FGw 2021-2022 proposes to send a negative unsolicited advice regarding  
31 the alcohol policy.

33  
34 The proposal has been **adopted**. The FSR FGw 2021-2022 will send a negative unsolicited advice  
35 regarding the alcohol policy.  
36

37 The final text will be sent to Senchi for formatting and a final edit on Monday, consecutively Senchi will share  
38 the final letter with the council for approval and/or additional comments. Once approval has been established  
39 Senchi will send the letter to the board.  
40

1 *The meeting is currently in overtime. Regardless, Kemper wants to continue to discuss the next agenda topic in*  
2 *order to have enough time to properly prepare for their consent or dissent letter. Senchi agrees to extending the*  
3 *current meeting but explains her objections to extending meetings in general considering the effect it has on her*  
4 *level of concentration, the quality of the minutes and how it affects her working hours and workload.*

### **9. Informing: BA Cultuurwetenschappen Language Change**

5 Kemper briefly introduces the topic and goes over the meeting piece's discussion points. None of the  
6 councillors have comments on the meeting piece. Kemper asks everyone to read the document and share their  
7 questions in MS Teams. Next week the council will start developing their stance on the matter. Furthermore,  
8 the council received an email from the OC *Cultuurwetenschappen* which seemed to indicate that not all OC  
9 members are in favour of a language change.

### **10. WVTTK**

10 Hondtong requests everyone to send in their introductions.

### **11. Final Points & Closing**

11 No final points are mentioned. The meeting is closed at 13:15.

- After the application procedure, the SoCo will choose a candidate that they consider most suitable for the position. Before the council's next PV, the SoCo will present a document to the council which consists of the following parts:
  - A motivation letter from the candidate in question;
  - The CV of the candidate in question;
  - An extensive report from the SoCo in which they elaborate on the application procedure, present their findings and explain why the candidate in question is the most suitable
- The council keeps the names of the candidates and the discussion of the application documents confidential.
- The council can vote on the appointment only after it has received these documents.
- Candidates will only be informed about the status of their application after the council has made a definitive decision.
- If the council rejects an appointment proposal, the SoCo will either:
  - Select a new candidate and write a new report;
  - Write a new report on the same candidate;
  - Step down after which the council votes in a new SoCo
