3. Mail List & Confirming Agenda

2 Regarding the Facility Services meeting, Kemper and indicates that Ballak and Mars will attend; Senchi will
3 also forward the invite to Svendsen. Regarding the collaboration on a welcoming event for the new dean with
4 ASVA, Piraianu notes that this might be hard to fit into the dean's busy schedule at the start of her tenure.
5 Kemper believes the collaboration and welcoming event could stem from a social safety context; she will ask
6 the ASVA for clarification. Wilts has sent over the agendas for the CoH and GSH councils, Kemper asks
7 councillors to send in their questions via Telegram before the end of this week. Moreover, Kemper had some
8 issues with the layout of the employee newsletter which she has communicated to the editor. She asks if others
9 ran into similar or other issue but none of the other attendees encountered any obstacles.
10 Moving on to the setting of the agenda, agenda point 9 will be scrapped and postponed to next week's PV due
11 to the absence of one of the file holders. Agenda point 8 will be confidential due to the personal nature of the
12 subject and Vroom is asked to leave this part of the meeting. The changes are applied:

15 211126-01 Ballak and Khamseh (edited 220211) will remove the Working Agreement from the
16 Diversity Commitment and set up a separate amendment proposal to include the section in
17 the *Huishoudelijk Reglement* and present it at the PV.

18
19 **Kemper briefly explains to Khamseh why this action point was set up and notes that she**
20 **and Hondtong will help him work out the details.**

21
22 220114-01 Kemper and Svendsen will set up an action plan before January 17th, 2022, regarding
23 student wellbeing and the university's Corona measures.

24
25 **Due to the structure of the previous block, there haven't been any issues concerning**
26 **COVID measures and the exam policy. The action point is scrapped.**

27
28 220121-01 ELC will look into the role of intersectionality within the UvA diversity policy.

30 last year's diversity file holders' intentions were regarding this issue.

3
4 ***Scrapped***

5 The council goes over the minutes from the 21st of January and the 4th of February page by page. Senchi thanks
6 Hondtong for making the 220204-minutes in her absence. Kemper notes that she has made some suggested
7 spelling changes in the 220204-document. Both minutes are confirmed by the council.

5. Updates (MS Teams)

8 Kemper admits to not having re-uploaded the update form. Regardless, she demonstrates to current attendees
9 what it looks like and how councilors can add their updates. Despite not publishing it in the PV folder, Kemper
10 did fill out her updates. Hondtong asks about the *Benoemings- en Adviescommissie* (BAC) for the Rector
11 Magnificus and Kemper explains the CSR chair's approach to dealing with the appointment of the BAC-
12 delegate. The majority of the CSR disagreed with the chair and are in favor of having a larger discussion on
13 the matter of selecting and appointing a new rector. Both Kemper and the CRS chair are interested in the BAC
14 delegate position. Moreover, Kemper believes more students should be involved in the process and that this
15 process should be more transparent. As a sidenote, it has come to the CSR's attention that the departing rector
16 regularly declared €500 per ride with a private car; the council reacts incredulously to these expenses.

5.1. Student Member fDB/CoH/GSH

17 Vroom asks about the Our bodies Our Voice (OBOV) update and Kemper explains that they have offered
18 the council social safety workshops. Senchi offers to share the update file with Vroom so she can read it in
19 preparation for the meeting and, possibly, add her own written updates. Kemper notes that she will create
20 a column for Vroom's updates in the form. Following a remark on the MS Teams folder the council uses to
21 share the PV's meeting pieces, Vroom wonders why she doesn't receive these files. Kemper replies that the
22 meeting pieces are internal files that aren't published like the minutes or agenda but that they can certainly
23 be shared upon request. Senchi tells Vroom that, upon receiving the agenda, she is free to contact her and
24 ask for files she'd like to have a closer look at.

6. Announcements

25 Kemper makes some general remarks about the new PV time and her intention of making sure everyone,
26 especially the DB, will attend the meeting and creates a productive environment. Ballak and Mars are absent
27 during this meeting; Mars has mandated his vote to Van Eck.
28 Moreover, Kemper announces that Malash and Ouwehand have both relinquished their council seat and they
29 will be looking for replacements soon. Kemper expects these replacements to council assistants, considering
30 020 doesn't have candidates to fill up the seat and De Vrije Student likely doesn't have any interested
31 candidates for the seat. Vroom questions the democratic legitimacy of the council, because of the number of
32 council members quitting and being replaced by unelected council assistants. Kemper comments that this is
33 an ongoing structural problem and that this currently is the only solution for having a working council when
34 none of the elected candidates are willing to take on the responsibility and work pressure. However, she does
35 believe this structural problem should be fixed. Hondtong remarks that the council received a letter from the
36 FSR FNWI regarding similar problems and suggests to put it on OPR's and the PV's agenda [ACTION POINT]
37 for a discussion on the topic.

7. Orientation: Budget FSR FGw 2022

1 Verveer has edited the overview to reflect the confirmed €9500 budget. Moreover, she has made changes based
2 on the councilors' suggestions from last week's PV. She explains that she has purposefully made rather high
3 estimations for all their expenses and has redirected some of the funds to up the budget for, for instance, the
4 council projects. Moreover, she notes that the marker *onvoorzien* is the rest budget. Regarding the budget for
5 the *inwerkweekend*, which is quite a large expense, Marian Wilts has indicated that the invoice can be sent to
6 the university, so the council members don't have to front the money from their personal accounts.

10. Wvttk (any other business)

2 Next week, upon Vroom's request, the council will brainstorm on student wellbeing during the PV. Though,
3 Kemper wants to make sure the council isn't overwhelmed by extra work. Councilors mention it might be
4 (more) beneficial to organize a brainstorm event in collaboration with ASVA and OBOV to discuss student
5 wellbeing. This could spread out the work pressure and be more impactful due to such a collaboration's reach.
6 Senchi goes over some date options to organize a meeting with the Marie-Therese Seignette (Social Safety
7 Officer), they confirm March 1st.

11. Final Points & Closing

8 Verveer announces that she will be relinquishing her council seat. The meeting is closed at 10:36.
