1. Opening of the meeting

15:08

2. Setting the agenda

3. Future PV's

Due to Tess's upcoming exchange program, Fabian will assume the role of Chair for both future PV and GOV meetings.

4. Attendancy Policy PV

- Danial stressed the moral obligation of council members to maintain high attendance, noting that members are elected by the student body and receive financial compensation for their mandate.
- Members agreed on the necessity of strict accountability. Because formal legal sanctions on attendance are limited by council statutes, the council decided to establish enforceable internal Working Rules. Working rules will be established regarding active presence, laptop usage, and minimizing distractions during sessions.
 - Parham suggested monitoring attendance on a cumulative percentage basis per semester rather than solely focusing on consecutive absences.
 - Every voting member is expected to actively voice their perspective during deliberations rather than casting passive votes without justification. Members voting against a motion will be asked to state their rationale to the plenary.
- General members will be encouraged to take the floor first, as the Daily Board (DB) will have already reviewed items in depth.
- While voting records will generally be made more public in minutes, provisions for anonymous voting when requested will be codified. Members voting against a proposal will be expected to briefly substantiate their reasoning.
- Extensive agenda items and major legislative amendments must be submitted several days in advance to ensure thorough preparation.
- With regards to the working rules: A drafting committee consisting of Fabian, Hannah, and Safir was established. All council members are asked to send recommendations in the group chat, and a formal draft will be presented at the first meeting in September.

5. Hybrid participation

- The council evaluated past experiences with online attendance, concluding that hybrid settings significantly reduce active engagement and disrupt meeting flow.
- Physical attendance remains the mandatory standard. In unavoidable cases where members join remotely, active audio/visual participation is required. Disruptive or non-responsive remote attendees will be asked to disconnect.
- In-person meeting attendance for both GOV and OV remains strictly mandatory, and members must promptly confirm their attendance via official Microsoft Teams calendar invitations synchronized with Google Calendar.

6. PR

The council unanimously approved two content tracks: A three-part series on Student Rights (covering Housing, Campus Regulations, and Examinations) & A "Meet Your Lecturers" interview series.

→ The council group photo is scheduled for the first two weeks of September. Safir will handle photography; proposed locations include the REC bridge or the ABC central hall.

7. COBO

Constitutional Drinks (CoBo): Discussed scheduling options in light of Tess's exchange (returning January 1). While typically held in October or November, the final date will be coordinated shortly.

8. Communication platform (Whatsapp vs Signal)

Vote: Unanimously in favor of adopting Signal for all official committee group chats.

9. Other points/questions

10. Closing the meeting

15:44
